**IN-HOUSE WOUND CARE PHYSICIAN  
JOINS HILLTOP HAVEN**

88% Decrease in wound-related hospitalization.

47% reduction in Medicare cost for wound care patients.

21-day decreased in wound healing time, which may further reduce the pressure ulcers reportable under the CMS 5-star audit system.

***DR. STEFAN P. THIELE, M.D.***

Specializing in Wound Care & Limb Salvage
